

Obituary.

Laura (Kepcha) Morell was born in Groveland township, Taswell county, Ill., October 8, 1868, and died at her home three miles south of Collyer, Trego county, Kans., on the 21st day of February, 1908.

She was united in marriage to George Morell on the 3d day of September, 1887. They lived in their native state till December, 1892, when they came to Trego county, where they have since resided.

Mrs. Morell was the mother of seven children, five boys and two girls, six of whom are left with the husband to mourn her loss, an infant daughter having preceded her mother to the Glory World. In addition to these, she leaves four sisters, two brothers and a mother and father.

Our departed friend together with her husband was converted twelve years ago at Banner under J. W. Vanderlip, who was then pastor of the Congregational church at that place.

Mrs. Morell has proved a faithful wife, a devoted mother and a true friend to all who knew her. In her we lose one of our most earnest church workers. She was often found waiting on and caring for others when she herself should have been cared for.

We join with the family in their sad bereavement, but feel that our loss is her gain.

Card of Thanks

We take this method of expressing our sincere thanks to our friends and neighbors who so kindly assisted us in the sickness and death of our beloved wife and mother.

Methodist Church.

All parties that have subscribed monies to missionary or other benevolent causes, take notice that such money should be in my hands before March 25th. The world belongs to Jesus Christ by right of creation and redemption; if you want to honor Our Lord throw a dollar or two on the lever to "raise" the world toward him.

If you love mankind help them up into the light.

If you want me to "hold up my head" at conference help a little whether you are a member of the church or not. Do not fail me, friends; and even if you want me to "go," give me a good "send-off." Conference March 25th Salina, Kansas.

Yours in Jesus,

W. E. SCOTT,

Pastor Wa-Keeney and Ogallah.

There was a dutch wedding in town the other day, and Judge Peacock, being an Irishman, just had to have an interpreter. The program was something like this:

"Henry, do you take this woman to be your lawfully wedded wife?"

"Heinrich, wilt du haben der Fraulein?"

"Ya, you bet."

Farmers who are selling cream want you to read the following taken from the Bryan (O.) Press. The VanCamp Co. have a large condensed milk plant there and buy the milk direct from the farmers. "Joe Young received a slip for his milk that furnishes a nice illustration of the possibilities of the dairy business. From two cows milked 28 days he sold 1,731 pounds to the VanCamp Company, and received \$29.47. After paying for the hauling he had \$26.87 net cash, which is certainly a mighty good showing."

Mrs. W. L.
